Serving the physical, emotional, and spiritual health and well-being of women and their families in Tuscarawas and surrounding counties.

Our Purpose

Circle of Friends Ministries was born from a vision of a group of women who saw the need for an organization to organize and meet the physical, emotional and spiritual needs of women in the community.

Our first and foremost desire is to build a pathway for women to come into a personal relationship with Jesus Christ. We also desire to build Christian unity among women in our community from all backgrounds.

We want to make a difference in the lives of women all around the world beginning with our home communities.
